"The End of Poverty, The End of Debt, The Beginning of a New Golden Age!"
No Poverty, No Hunger, No Debt, Only Global Prosperity and Peace for ALL!
Final Wake Up Call NESARA has merged with GESARA

The announcement of GESARA will now affect the Republic along with the rest of the world amounting to a total of 206 sovereign nations. The new financial system is part of GESARA law.

The IMF will announce the "Global Precious Metal Standard Monetary System" once GESARA is announced. All remaining fiat currencies will be cashed in for gold-standard currency. Paper money will eventually be phased out and all currencies will be digital under the new financial system.

The goal is to make the transition event simple, smooth, and swift. The new financial system has been online for months and is hosted on a protected quantum server that cannot be hacked or accessed without permission.

Notably, the wealth proliferation aspect is actually very stabilizing. People who have new found wealth in extremes are far more likely to feel able to help their relatives, their close friends, their fellow citizens. They are more likely to engage in humanitarian efforts. This is wealth building.

The RV might see a shortage of qualified workers. This is wealth building. This then leads to higher wages and salaries which will be reflected in prices. This is counter-balanced by a drop in taxes of, in some cases, up to 80% of the final product cost price which would result in deflation. As prices drop, savings increase for the worker and their family. This builds wealth. Energy costs too are now an important component of the cost mechanism for any product.

Energy costs will also drop as a result of free-energy and new technologies. The future will be unbelievable, complete; our lives will evolve immensely. The cabal is on the ropes and some of the new – suppressed – technologies that are being released date back 70 years or more. Suppressed technology is 'New' to us, but in reality, it is very 'Old'. Some go back millions of years.

For example; the purified waters of Antarctica will be used to 'turn the deserts green' and 'restore mineral life' to all plants and living things. The future will be unbelievably complete with cards for our own personal credit.

The application of 'Replicators' that can produce everything. And surely most importantly, 'a new awareness' of the 'power of our mind' in order to 'display' our needs. And soon also available 'real health care' to make people healthy instead of sick, to regrow limbs or organs, or to reduce our age by 30 years.

Money and banks are tools of the Cabal to control us, with their debt - based economy which can never bring prosperity. – Consequently, paper money and banks will eventually disappear. Coinage will not.

The greatest short-term affect will be that the RV will create a large surge in consumers over time. Corporations that responsibly produce things that people really need will see a huge surge in business and profits for many years to come. This is wealth-producing. Because a huge aspect of GESARA is the elimination of the national debt of every nation on Earth, taxes will be adjusted to be lower for citizens and corporations. Only a standard sales tax of about 15% on new items will be applied.

The pyramid structure of the global elite, including most governments and corporations, has become dysfunctional. It created class separation and fostered the belief in death.

Part of spiritual evolution is born when one's identity is no longer attached to material matters.

When there is free energy, transportation and replicators distributed to everyone, we will become equal. No one will be enslaved, people will just do what they want to do, have free time, time to reflect and be creative.

No need to hoard anything.

Advanced civilizations don't wonder where their next meal is going to come from, how they are going to pay for their rent, how they are going to get from A to B.

The Dark Cabal has had time enough to change gracefully, but they have failed dismally. People will live in the moment of now, i.e. growing their own food, and also food for others. These activities don't need belief systems, they are spontaneous. Many people are actually going to enjoy their jobs as the experience will now give them meaning and purpose, another way to serve. Those that don't hold jobs will find alternative ways to experience happiness and contribute to the common good. However, fundamentally, real change lies in a shift of your consciousness and thinking.

As the time approaches for a great change in our society, it is time to transform pain and suffering from past experiences into joy, peace and prosperity! A new day is dawning that will bring in a caring and respectful epoch for humanity!

As you grow in consciousness, respect for each other takes on a new, expanded meaning. Respect is not for personal gain. It is your sovereign right. Unity consciousness honours and holds every soul in high esteem at all times. Respect will transform society and push it blessedly toward a new outcome. Respect for every individual will be the norm. It is the lynchpin for our new and transforming society, based on Unity consciousness.

GESARA is an acronym for Global Economic Stabilization and Recovery Act or Global Economic Security and Reformation Act. There is a ongoing dispute about what the true name is, according to the information I read. It is the most ground breaking reformation act to sweep the planet to restore worldwide prosperity, peace, and a New Golden Age that works for everyone, and not just for a few elite.

GESARA was voted to be implemented by all 209 sovereign nations of the world, per the signed 2015 Paris Agreement on Climate Change, starting with the restored Republic of the United States (known in the USA as NESARA – National Economic Security and Reformation Act or National Economic Stabilization and Recovery Act). In the United States, this single act does away with cancers like the Federal Reserve Bank, Internal Revenue Service (IRS) and USA, Inc. shadow government, plus so much more! Implementation of GESARA and NESARA is imminent

Why is GESARA necessary...?

Planet Earth and humanity are experiencing The Great Shift of Consciousness, also known as Ascension or The Great Awakening into Unity Consciousness. Mother Earth is returning to be a sacred planet, and is taking the entire human population with her (whoever wants to go). It's a golden age beyond our wildest imaginations.

The "Dark Cabal" governing authority has intentionally and methodically hidden humanity's historical truth (Including extra-terrestrial occupation and genetic tampering) for over 13,000 years. It's plan was to enslave humanity for its own selfish ends. It almost succeeded. The Galactic Federation of Light and the Forces of Light have been tasked by Prime Creator Source to stop and reverse the momentum of this rebellious and blatant dark cabal, and put an end to its deceit and to help humanity and Mother Earth bring into alignment the goals of The Great Shift in Consciousness.

Here's a short description of NESARA's mandate in the United States:

- Cancels all credit card, mortgage, and other bank debt due to illegal banking and government activities. Many refer to this as a "jubilee" or complete forgiveness of debt.
- Abolishes Federal Income Taxes in the U.S. Create s a 17% flat rate non-essential new items only sales tax revenue for the government. In other words, food and medicine will not be taxed, nor will used items such as old homes.
- Abolishes the Internal Revenue Service (IRS), with employees of the IRS will be transferred into the US Treasury national sales tax area.
- Restores Constitutional Law to all courts and legal matters in the Republic of the United.
- States of America. Retrains all judges and attorneys in Constitutional Law.
- Removes all dark cabal agents and administration officials and all members of the U.S. Congress from their positions due to their continuous unconstitutional actions.

- Establishes new Presidential and Congressional elections within 120 days of GESARA's announcement. Allows the new Republic of the U.S. to temporarily govern the country's affairs until fair and legal elections can be held.
- International Monitors will be present to prevent illegal voter ballot stuffing or fraudulent election activities of special interest groups. Eliminates all "states of emergency" thus declaring peace for every land abiding by GESARA and its alliance.
- Allows the new Republic to physically remove or eliminate any obstacle impeding GESARA law.
- Ceases all aggressive U.S. government military action worldwide.
- Forces the U.S. military to immediately remove troops from all sovereign nations that no longer willingly accept them to reside on their soil (including Iraq, Syria, Afghanistan, Philippines, etc.).
- Initiates new U.S. Treasury Bank System in alignment with Constitutional Law.
- Creates a new U.S. Treasury rainbow currency backed by gold, silver, platinum, and precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
- Eliminates the Federal Reserve System. During the transition period, the Federal Reserve will be allowed to operate side by side of the U.S. treasury for one year in order to remove all Federal Reserve notes from the money supply.
- Restores financial privacy.
- Establishes peace throughout the world as monitored by the United Nations Security Council.

- Releases unprecedented prosperity funds in a “share the wealth redistribution program” for every individual on Earth as well as the release of enormous sums of money for humanitarian purposes across the planet. This means that every human being could become a multi-millionaire instantly without debt of any kind. This is in alignment with the Global Currency Reset & Revaluation (GCR-RV). Stay up-to-date on developments.
- Enables the release of over 6000 patents of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, anti-gravity, and sonic healing machines.
- Eliminates all current and future nuclear powered weaponry on Planet Earth.
- Increases benefits to senior citizens and children.
- Reinstates the Original Title of Nobility amendment.
- Forbids the sale of American birth certificate records as chattel property bonds by the U.S. Department of Transportation.

U.S. President Bill Clinton Signed NESARA into law on October 10, 2000

Consider what happened with the creation of the National Economic Security and Reformation Act (NESARA). The Act was passed by the United States Congress on March 9, 2000 and then sent to President Bill Clinton for his signature. President Clinton signed NESARA into law on October 10, 2000, and it was to be announced (enacted) the morning of Sept. 11th, 2001 (Remember what happened on that date at the Twin Towers in New York City?). At that point NESARA, as with any legislation so acted upon, became a “law of the land”, but wait a minute! No one wanted to enforce it. Why? No one wanted to enforce NESARA because this law required the physical and permanent removal from their government positions of all those, who were treasonous.

Those who had deliberately acted outside the Constitution of the Republic had committed treason. Those who were treasonous included the United States President and Vice President, the Presidential Cabinet, all members of Congress, various government departmental heads, all fifty governors of the fifty states, judges and others

To hide NESARA from public view and, thus, to prevent its enforcement by popular demand, the United States Supreme Court placed a gag order on all public officials, the United States military, law enforcement personnel, bankers, attorneys, judges, the media and anyone else, who knew about NESARA and, who might give information about NESARA to the public.

If the people learned the Truth about NESARA, they would demand its enforcement. This could not be allowed. The plan to hide NESARA worked well for a time, but gradually news of NESARA began to be leaked to the public. To circumvent any public action to enforce NESARA, "plan B" was created. The plan was to forever delay the enforcement of NESARA by fooling the people with trickery. NESARA was embroiled in fictitious legal procedures and court orders by both the United States Supreme Court and the International Court of Justice. This game of deceit could be played forever, NESARA could be permanently delayed, and the people of the world would never be the wiser.

We believe the time is here for us to move into this 5D state of structure where equality, peace and justice prevail.
